- React JS
- Next JS
- API integration
- Tailwind CSS

- Prisma ORM
- JWT Authentication
- SQL
- Git & Github
- Postman
- Vite
- Responsiv Design
- Shadcn/UI

#### Soft Skills

- Problem-solving
- Teamwork & Collaboration
- Time Management
- Attention to Detail
- Quick Learner / Adaptable

### Projects

---

#### AutoMarket Web App

Auto Market is a vehicle marketplace web application that allows users to browse and search detailed car listings. It features dynamic routing, database integration, responsive design, and multilingual support (Kurdish, Arabic, and English), focusing on performance and clean UI.

#### E-Commerce Web App

Developed a PC components e-commerce store using React.js, Tailwind CSS, and Redux Toolkit for state management. Built a fast, responsive, and well-structured interface featuring a clean design and seamless user experience.

#### Movies & TV Reviews

Developed a fully responsive Movies & TV Reviews web application using React.js, Redux Toolkit and Tailwind CSS, integrated with a REST API. Features include search functionality, trailers, and detailed cast information, providing a seamless and engaging user experience across all devices
